Certain majors require a limit on the number of students they can accommodate and are designated Limited Enrollment Programs (LEP).

Freshman Direct Admits: All students accepted directly as freshman into the Landscape Architecture major must complete a series of gateway courses and a review at 45 credits. Gateway criteria include:

- Completion Fundamental Studies*
- Completion of 30% of Distributive Studies Courses*
- Completion of LARC 120, LARC 160 with a grade of 3.0
- Completion of LARC 140, LARC 141, MATH 112 (113T or 115) and PLSC 100 with a minimum grade of 2.0
- Completion of a portfolio review as specified by the Landscape Architecture faculty

A minimum grade point average of 2.0 in all courses is required at the 45-credit review.

Transfer Admission Requirements: The following requirements apply to both internal and external transfer students. Admission in on a space-available basis along with successful completion of the following:

- Completion Fundamental Studies*
- Completion of 30% of Distributive Studies Courses*
- Completion of LARC 160, LARC 120 with a grade of 3.0
- Completion of LARC 140, LARC 141, MATH 112 (113T or 115) and PLSC 100 with a minimum grade of 2.0
- Completion of a portfolio review as specified by the Landscape Architecture faculty

A minimum grade point average of 2.4 in all college coursework is required for all internal and external transfer students.

PLEASE NOTE

- Only one “gateway” or performance review course may be repeated to earn the required grade and that course may only be repeated once.
- Students may apply only once to an LEP. Students who are directly admitted and fail to meet the performance review criteria will be dismissed from the major and may not reapply
